NATURAL GAS: CURRENT TRENDS, FUTURE OUTLOOK AND WAYS TO SAVE!

At Wilson Blanchard Management, An Associa Company, we believe knowledge is power. To demonstrate our longstanding commitment to board education, we are offering a free virtual webinar for condo board members on what you need to know about Natural Gas when it comes to billing, what impacts costs and fixed pricing options for condominiums. Whether you live in a high-rise building or townhouse community, this information can be very helpful to Board of Directors.

Qualified and respected industry professionals will share their expertise to advise you of best practices and how to mitigate any liability for your Corporation while covering your basis. Sharing examples and best practices will prepare you to make informed decisions on behalf of your homeowners and help you effectively communicate to your community.
